Main Case No. 10-06375-FLK13

Findings Re: Objection to Attorney Fees
Of Robert G. McMillen

9
10 This matter- the debtor's objection to attorney's fee- came on for hearing on March 17, 2011,
11 before Bankruptcy Judge Frank L. Kurtz. The Court read and considered the application, time
12 records and other pleadings submitted in support of the application. The Court also read and
13 considered the objection and other pleadings submitted in opposition to the application.

14 NOW THEREFORE,

15 The Court finds the services for which the attorney seeks compensation were necessary and
16 provided a benefit to the debtor.

17 The Court further finds the charges for the services were reasonable.

18 The Court concludes an order should be entered allowing the compensation under authority
19 of 11 U.S.C. § 330.
